

Bicknell Town Work Meeting
February 29, 2024
7:00 P.M.

I. OPEN MEETING/ROLL CALL

Mayor Johnson called the meeting to order. Council members present were Steve Albrecht, Weston Johnson, and Gregg Anderson. Kelsey Brinkerhoff, & Carrie Brinkerhoff, were also present. Scott was absent due to water school training and Kerry Stevens was excused for girl's state basketball.

II. PUBLIC COMMENTS

No public comments were made.

III. ITEMS TO BE DISCUSSED

EMS resolution- The mayor asked if anyone had any questions on the EMS resolution, they had discussed this at the Mayor/Commissioner meeting and it doesn't look like it's going anywhere or going to change. There were no questions. This will be put on the agenda for next week.

24th of July celebration- The mayor just wanted to get some ideas on how big or how small the council wanted the celebration will be on Saturday either before the 24th or after since 24 July is on Wednesday there were some ideas talked about the band maybe a smoker competition 5K run. The mayor also wondered if we could maybe get some donations from a few places, we've given a lot of business to. There was some discussion, and the mayor said to be thinking about what we want and maybe get some prices on the bands. We will discuss this at future meetings.

ADU ordinance- the mayor asked if anybody had any questions about it Steve had a few questions, and Jim was able to answer them. The ordinance talks about internal versus external, and by state law there is zero say for internal attached and detached need to be permitted, even if they are previous to this ordinance. The fee will have to be discussed and added to the fee schedule. It cannot be a short-term rental, and they also need their own meter for the attached and detached ADU. There were some corrections made, and this ordinance will be passed next week with the changes.

Disposal of town-owned property- This was also discussed at the mayor/commissioner meeting. Torrey ran into a problem when trying to sell some town-owned property and this is needed to sell anything owned. There was some discussion and Bicknell council decided to set the amount at \$75,000 and pass next week.

Roads- Kerry had dropped off a map earlier in the week and he had gone through town and made a map of the things that needed to be done signs that needed fixed or replaced as well as potholes that needed to be fixed and shoulders that needed fixing as well. The council was very impressed with how well this was made and hopefully, Scott can get some of those replaced and fixed.

Miscellaneous- Steve had a GPS of the trail he and Kathy McCarthy walked today. He talked about some issues that could arise but he has contacted Carly and sent her the map to hopefully
