Town Council Work Meeting 7:00 pm

We can't believe another year has flown by. Happy 2022 everyone! We accomplished a lot in 2021 and can't wait for great things that will be happening this year.

We will start our road project and water project this spring. We have applied for a CDBG grant to update the Town Park. If we receive the full amount requested, we will add a basketball court, horseshoe pits, a propane fire pit and gazebo, propane heating in the pavilion, remove the garage doors and replace with glass doors, make the two small bathrooms into one nice bathroom, and add a covered patio to the pavilion with a BBQ.

We are also applying for a grant in March to get our ordinances and resolutions in a user-friendly format.
