

**BICKNELL TOWN
IRRIGATION RATES
RESOLUTION #8-3-2017**

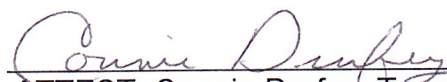

THIS RESOLUTION SETS A NEW RATE FOR USE AND MAINTENANCE OF THE BICKNELL IRRIGATION SYSTEM IN ACCORDANCE WITH ORDINANCE NO. 8-4-2016.

The irrigation system barely maintained itself from 1 July 2016 to 30 June 2017, so an increase in rates is necessary to not only maintain the system but allow a reasonable amount to go towards future major repairs. Beginning the quarter of September 2017 an annual cost of \$160 per for a full lot will be set. This will be divided in quarterly billings as \$40 per quarter for a full lot and less proportionally according to lot size.

This resolution was passed by the Bicknell Town Council on the 3rd day of August and becomes effective immediately. Notice to users will be printed on the culinary water bill for 30 August 2017.

Gil Hunt, Mayor

ATTEST: Connie Durfey, Town Clerk
